AUG 22 1985

Honorable Kathy Whitmire
Mayor, City of Houston
P.O. Box 1562
Houston, Texas 77001

Dear Mayor Whitmire:

Members of my staff will be in Houston on September 11, 1985, to conduct a public meeting on the North and South Cavalcade Street hazardous waste sites. We plan to discuss the status of the sites and explain the upcoming events. Also, the public will be given an opportunity to ask questions or express any concerns they may have.

The meeting is scheduled for 7:00 p.m. at the Lindale Park Civic Club on Joyce Street. A news release for the local Houston media is scheduled for publication on August 23. Also, we will be mailing a fact sheet and notice of the meeting to interested citizens, groups, and area residents.

As is customary, my staff will be available the afternoon of September 11, for a pre-meeting briefing. Councilmen Reyes, McGowen and Gorczynski have previously expressed an interest in the sites. One pre-meeting briefing for you and the councilmen could be scheduled at the City Hall. If you will be available for the briefing, please contact me or have your staff contact Ellen Greeney at (214) 767-9702.

In any event, we will continue to provide you information on a regular basis regarding all Superfund activities in the Houston area.

Sincerely,

/s/ Dick Whittington

Dick Whittington, P.E.
